

CARE FOR YOUR COMMUNITY

ARE YOU READY TO TAKE YOUR CAREER TO THE NEXT LEVEL? Earn your Associate of Science in Nursing (ASN) from Crowder College, become a registered nurse and transfer to Missouri State to earn your Bachelor of Science in Nursing (BSN) degree. MSU classes are 100% online, offered on a part or full-time basis with multiple start dates.

With a BSN, you will gain knowledge in areas, such as advanced health assessment, community care, and leadership, preparing you for a variety of roles in nursing such as teaching, administration, and community health. You may choose to pursue a career as a:

- Travel nurse
- Military nurse
- Forensic nurse
- Public health nurse
- Case manager

TRANSFER WITH EASE

BEFORE YOU TRANSFER

If you are a registered nurse, who has also graduated with an associate of arts (AA) degree, you will have fulfilled MSU's general education requirements for completing the bachelor's degree. If you do not have an AA degree in addition to the ASN, you will need to complete additional general education classes. These classes may be taken from Crowder College while you are working on your bachelor's degree.

BSN SCHOLARS PROGRAM

Begin your upper division BSN-C coursework while finishing your associate degree and complete your BSN more quickly. If eligible for this program, you may take the following MSU courses prior to graduating from Crowder, schedule permitting:

NUR	306	Professional Emergence
NUR	342	Nursing: Health Assessment
NUR	515	Nursing Informatics
NUR	565	Advanced Human Pathophysiology
PSY	527	Advanced Psychological Statistical Methods

To see if you qualify for this program visit:

www.MissouriState.edu/BSNScholars

If you currently have an LPN license you are considered a Level II Bridge student and are given 15 hours of credit. You will begin as a second year student.
