

Application Certified Distance Educator

Name:

Award Year:

Submission Date:

Professional Development Activities:

You must complete a minimum of three (3) professional development activities related to distance education. If you have more than three activities, please choose the most relevant three activities to report. Please provide a short summary of each activity and its relation to improving your expertise in distance education. In addition, please attach any relevant documentation for each activity. If no documentation exists, please make a note below.

All documentation must be submitted electronically. Please scan any paper documentation and submit the digital copy; no paper certificates or documentation will be accepted.

Activity 1
