

WE PUT THE COST WITHIN REACH

MSU'S COSTS ARE LOWER THAN STATE AND NATIONAL AVERAGES.

As a transfer student, you are eligible for many financial aid opportunities at Missouri State. In fact, about 75% of our students receive some type of financial help. Plus, there are other options for funding your education. Take advantage of:

- Transfer scholarships
- MSU Foundation scholarships
- Fast Track Workforce Incentive Grants

Fill out a FAFSA by February 1 every year you wish to receive federal aid.
