TRANSFER WITH EASE

Our programs lets you transfer your associate's degree and lower-level prerequisites from Crowder College to MSU. Starting any summer semester, you can **conveniently complete your bachelor's degree in Cassville, Neosho or Nevada**. All lower-division prerequisites are available through **Crowder**, and upper division coursework is provided by Missouri State, all in the same location.

BEFORE YOU TRANSFER

- Meet with your MSU transfer advisor, Larry Nichols, early in your college career to ensure you're taking all the right classes to reach your academic goals. You may be admitted and begin taking courses with MSU while still completing your associate's degree, if needed.
- Complete your associate's degree. The Associate of Arts in Teaching (AAT degree), is recommended because it will satisfy many of the requirements for your bachelor's degree and certification; however, you may join this program with any AA degree if the appropriate prerequisites are taken.
- Satisfy minimum score requirements on all sections of the MoGEA.
- Earn a 2.75 overall GPA (required) before the start of your first fall MSU semester.

LAY THE FOUNDATION FOR THE FUTURE

ARE YOU READY TO INSTILL A LOVE FOR LEARNING IN YOUNG MINDS?

Join the generations of teachers who started their careers with a bachelor's degree in elementary education from Missouri State. With our program, you can take all the classes you need to become a certified teacher without ever leaving the Crowder College campus—and you only need to attend class on campus two days a week for most of the program. Learn from veteran educators with years of practical classroom experience as well as scholars versed in the latest breakthroughs in research. Spend time in local school districts practicing what you've learned and emerge with the tools and confidence to become an outstanding educator. After successful completion of this program and passing content assessments, you will be certified to teach grades 1-6.
